Geoff,

Manoj and I are available at 10am central and 2pm central. Do either of those times work for you?

Thanks,

Sasha

Hi Manoj/Sasha-

I've got word back from Mostardi Platt, and we are on their schedule to test at St. Francis September 18-20.

Do you two have availability on Thursday to discuss the site condition topic? Please let me know so I can get the call on the schedule. Thanks!

Hi Manoj-

Attached is the testing protocol for St. Francis, as requested. Within the next week I plan on following up with you on two topics we discussed a couple days ago on our call:

1. Test Date
2. Site conditions for the testing – specifically which drums we plan to process during the testing. This is a difficult topic for us given our operation.

If you have any questions, please don't hesitate to give me a call. Thanks and have a great weekend!
